Ha! I meant Bill not Ben! I'm sure Ben would like to avoid that if he possibly can!

Hi,

Over the past year I have been troubled by the increase in homicides across Memphis and Shelby County. I have spoken with District Attorney Weirich, Sheriff Bill Oldham, Police Director Mike Rallings, and other key stakeholders. The statistics in Memphis indicate a disproportionate number of victims and perpetrators are young Black men aged 19 to 29.

I came across the attached strategy document that New Orleans is implementing and believe that we can and should adopt many of their ideas. The New Orleans Murder Reduction Strategy is working. I plan to ask my fellow Shelby County Commissioners to adopt this strategy and approve the necessary resources to begin implementation. I humbly ask for your support as well.

Please do not hesitate to reach out to me if you have any questions or other feedback.

Kindest Regards,

Steve Basar
